Dear Ms. Greene,

Our office received your request for public records relating to our local JRAC on January 24. Your email requested the following records: 1) a copy of the last board approved meeting minutes; a copy of your current JRAC Board Members and their titles; and a copy of the JRAC Board meeting schedule for the year 2024.

We do not have records responsive to your requests. However, we are happy to provide the following information. The Local JRAC members are:

- John Wright (Judge/chairperson)
- Rex Kepner (Prosecuting Attorney)
- David Mattingly (Chief Deputy Prosecuting Attorney)
- Michael Troemel (Defense attorney)
- Molly Douglass (Mental Health Professional)
- Marci Mars (Chief Probation Officer)
- Brett Butler (Probation Officer/Community Corrections)
- Chelsea Hamrick (Probation Officer/Community Corrections)
- John Cox (Sheriff)
- Bryan Berry (County Commissioner)
- Jim Schoen (County Council)

We are a very small county and, at least so far, we have not been keeping minutes. Currently we do not have a JRAC meeting scheduled, although our next meeting will likely occur in late February or early March.

Sincerely,
Benton Circuit Court
