Good Morning,

My name is Jason Judd and I am Jennings County JRAC Chair. I am responding to a previous email that was sent to another member of the JRAC team.

The last meeting minutes that were approved during meeting was August's minutes during the September meeting. I have also attached September 2023 minutes and January's minutes that have not been approved. We have had meetings in September, November and a meeting in January since then. Our schedule is every fourth Wednesday of the month.

Thanks,

Jason
