        - a. How does it get out the public?
          - i. Karen shared with her groups of people
          - ii. Might be good to get it out to the public
        - b. Do you feel like this is more representative of the public?
          - i. Karen says the committee does
      - vi. JRAC doesn't have any control over the Opioid Settlement Fund
    - b. Motion to bring a recommendation to the Commissioners meeting that the JRAC advisory board to be the Committee that decides where the money goes instead of the committee previously appointed by the Commissioners?
      - i. Motion Jerrod Baugh
      - ii. Second Matt Headley
      - iii. Discussion:
        1. Trudy Selvia, do we need to take the Committee?
          - a. What if we just come up with items to ask the money for?
        2. Tim, why do we need to have competing committees?
          - a. Cass County JRAC takes in the requests, JRAC weeds it down and then takes it to the commissioners
        3. JRAC would have to do all the advertising
          - a. Having specific dates that the applications would be due by
          - b. Who from JRAC would do that?

- i. Put it in the Banner Graphic
    - c. Has anyone else had any other contact with any other counties?
