Re: Public Records Request

Dear Ms. Greene,

As required by the Indiana Access to Public Records Act (APRA), this letter is the Wabash County Court Service's (WCCS) initial response to your email dated January 24, 2024, received on January 25, 2025. WCCS may have records responsive to your request, and is reviewing and compiling the public records requested. You will be notified when such public records are available for inspection or copying. Pursuant to Indiana Code § 5-14-3-3, WCCS will provide copies of or allow the inspection of the public records requested during regular business hours within a reasonable time after a request was received.

Under the APRA, certain documents, records, or other information may be treated as confidential or otherwise exempt from disclosure under Federal and State law. If any of the records requested are exempt from disclosure you will be notified. As well, if any requested documents, records, or other information does not exist or is not in the possession of WCCS, there is no obligation for WCCS to create or obtain such documents, records, or other information for disclosure. All public records requested that are not exempt from disclosure will be made available for inspection and copying.

Please be aware that if you desire physical copies of any public documents, the copying fee will be \$0.10 per page or the actual cost of copying any recording, which must be paid in advance in accordance with Indiana Code § 5-14-3-8 and Wabash County Ordinance 2012-85-16.

Sincerely,
